

## **Motion for Barnstaple Town Council Meeting – Monday 12<sup>th</sup> September 2022.**

Council notes:

First Past the Post (FPTP) originated when land-owning aristocrats dominated parliament and voting was restricted to property-owning men.

In Europe, only the UK and authoritarian Belarus still use archaic single-round FPTP for general elections. Meanwhile, internationally, Proportional Representation (PR) is used to elect parliaments in more than 80 countries. Those countries tend to be more equal, freer and greener.

PR ensures all votes count, have equal value, and that seats won match votes cast. Under PR, MPs and Parliaments better reflect the age, gender and protected characteristics of local communities and the nation.

MPs better reflecting their communities lead to improved decision-making, wider participation and increased levels of ownership of decisions taken.

PR would also end minority rule. In 2019, 43.6% of the vote produced a government with 56.2% of the seats and 100% of the power. PR also prevents 'wrong winner' elections such as occurred in 1951 and February 1974.

PR is already used to elect the parliaments and assemblies of Scotland, Wales and Northern Ireland. So why not Westminster?

Council therefore resolves to write to H.M. Government calling for a change in our out-dated electoral laws to enable Proportional Representation to be used for general elections.
